

# Official Announcement

## **Dyness DL2.5 24V 100ah**

We are proud to officially confirm that the Dyness DL2.5 24V 100ah Battery is now fully compatible with the following inverter brands: Steca, Sorotec, Must, Victron, Growatt, and SRNE. This integration ensures seamless performance and reliability across a wide range of systems, providing our customers with enhanced flexibility and confidence in their energy solutions.

Dyness remains committed to delivering high-quality, innovative energy storage solutions that meet the growing demands of our global market. We thank you for your continued trust and support in our products.

For any further inquiries, please contact our customer service team.

Sincerely,

The Dyness Team
